WHO IS F&S PROPERTIES?

Your go-to provider of serviced accommodation properties.

F&S Properties are ideal for short to mid term stays, contractors, relocations, emergency accommodation and leisure.

Our portfolio of properties includes a variety of affordable and premium options in various locations, including the picturesque Rhondda Valleys in South Wales, the seaside charm of Southend-on-Sea, and the vibrant energy of North London's Enfield. Each of our properties is conveniently located near amenities and attractions, ensuring that you have everything you need to make the most of your stay.

Whether you are seeking a cosy apartment or a spacious house, we ensure that each property meets our high standards of comfort and convenience. Our team work tirelessly to maintain and manage our properties, ensuring that you have a seamless, stress-free and personalised home away from home experience!

Heating Control Panel

Heating Instructions

The heating control panel is positioned at the top of the staircase in the hallway landing, next to bathroom entrance.

- Turn on the heating directly on the radiator.
- Ensure the fuse switch next to the radiator is switched on.
- Press the power button on the radiator.
- Adjust the temperature using up / down buttons.
- Make sure the sun symbol is displayed for heating to activate.
- Turn off the heating when not in use or before leaving.

⚠ IMPORTANT! ⚠ : Each room has thermostatic radiator valves. If a radiator isn't heating, check that its valve is turned on.
